Maxtor hereby certifies that it is the assignee of the entire right, title, and interest in the above-identified patent application by virtue of a chain of title from the inventors of the above-identified patent application to Maxtor as shown below:

Assignment from inventors to Maxtor Corporation, which Assignment was recorded in the Patent and Trademark Office on March 4, 1997 at Reel 008497, Frame 0206.

The documents in the chain of title of the above-identified patent application have been reviewed and, to the best of undersigned's knowledge and belief, the title resides with Maxtor.

The undersigned (whose title is supplied below) is empowered to sign this certificate on behalf of Maxtor.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Maxtor Corporation
